

## MATH 110 – Post course survey. (Fall 2023)

This is a confidential survey with questions about your attitude toward and experiences with mathematics. Your participation in this survey is optional and I have no way of knowing whether or not you participated nor will I have access to your responses. You will be asked to provide the last five digits of your phone number. Please use the same 5 digits you used for the pre-course survey at the start of the semester. This 5-digit number will be used to link your answers with your answers to the pre-course survey you completed at the start of the semester. Your name will remain anonymous. The only person at CMU who will have access to the survey responses coded with your 5-digit number (but not your name) is Dr. Lisa Driskell (Mathematics Department Head).
